Preparing a Waste Venture Proposal for Al Faisal Holding

Business-plan development chronology

January 2013 · Intended partner

Jay described his family’s preferred route as a proposed regional venture with Al Faisal Holding and told Dr. Mohamed Dobashi a business-plan draft would follow.

April 8–10, 2014 · Review of the summary

Jay circulated the summary. Minnesota colleagues identified the intended audience, discussed the business name and agreed to remove an offering the team could no longer represent.

Stage reached

The documents record the origin, intended audience and revision of a business plan. Execution of a joint venture has not been verified.
