Bani Walid in the planning agendas

Two excerpts from documents Jay Zaabri circulated in 2010 and 2011

November 15, 2010

Short Term Agenda.doc, page 1

> Research and find out potential available future designs, concepts and projects in Bani Walid, Tripoli and all other locations in Libya.

The November agenda called for research into potential design projects.

February 8, 2011

Lancor Architects Inc.doc, page 1

> 5. What information do we know or have about Libya, compile all of it, including the University of Bin Walid.

The February agenda asked the team to gather existing information about the university.

Source documents retained by Jay Zaabri. Dates refer to when he emailed each agenda.

The excerpts document planning and coordination. Original wording is preserved.
